

Hafidz Mulia

Web Developer | Programming Teacher

+62 851 5833 5740 | hafidzmulia@gmail.com | Surabaya, Indonesia | linkedin.com/in/hafidz-mulia | hafmul.site

Summary

Committed Mathematics undergraduate (8th semester) at Institut Teknologi Sepuluh Nopember (ITS) with hands-on experience in full-stack web development using Next.js, Laravel, and modern JavaScript frameworks. Passionate programming teacher who enjoys mentoring juniors, kids, and teens. Proven leadership in student organizations and extracurricular activities.

Education

Bachelor of Mathematics — Senior (8th Semester) 2022 – Present
Institut Teknologi Sepuluh Nopember (ITS), Surabaya

High School Diploma 2019 – 2022
SMA Islam Terpadu Al Uswah, Surabaya

Professional Experience & Teaching

Programming Teacher Jan 2025 – Present
Timedoor Academy

Taught coding fundamentals to juniors, kids, and teens; developed lesson plans, provided feedback on assignments, and guided mini-projects.

Coordinator Assistant — Laboratorium Present
ProviKom Lab, ITS Mathematics Department

Coordinate the ProviKom Lab at ITS Mathematics, overseeing practicum planning (Alpro 1 & 2), Programming and Visual Computing.

OSN-K Informatics Mentor Feb 2025 – Mar 2025
SMAN 1 Puri Mojokerto

Prepared students for OSN-K Informatika competition: designed practice modules, mock tests, and feedback sessions.

Internship Jan 2025 – Feb 2025
SMA IT Al Uswah Surabaya

Developed SI-PRESENSI and SI-BPS systems; collaborated with school stakeholders for requirements gathering, testing, and deployment.

Projects

Rapor HIMATIKA — Automated Report Oct 2025 – Nov 2025
End-to-end reporting system: Next.js frontend, NextAuth, MongoDB Atlas, and Google Apps Script for automated announcements and account sharing. Includes admin dashboard and PDF/Excel exports.
Live: rapor-himatika.vercel.app Repo: github.com/hafidzmulia-its/erapor

ELKPD — Interactive Learning Platform Sep 2025 – Oct 2025
Interactive learning platform: Next.js with NextAuth authentication, MongoDB for user progress tracking, and multi-level educational assessments. Features teacher dashboard for student progress monitoring, role-based access control, and comprehensive reporting system.
Live: elkpd.vercel.app Repo: github.com/hafidzmulia-its/elkpd

Sina — Digital Storybooks Jun 2025 – Jul 2025
Full Stack Web Developer.
Repo: github.com/hafidzmulia-its/sina

Library Loan Management System May 2025 – Jul 2025
Built a Laravel Breeze application with authentication, Tailwind CSS, Alpine.js, and Eloquent relations

to automate school library operations, enforcing business rules and handling cover-image uploads. Seeders generating 200+ records and export PDF features enabled robust testing and reporting.
Repo: github.com/hafidzmulia-its/SIPerpustakaan

Vue Tasty Recipes Website

A modern recipe discovery web application built with Vue.js and deployed on Vercel, featuring recipe browsing, user authentication, and social features for sharing cooking inspiration.
Live: vue-tasty-recipes.vercel.app Repo: github.com/hafidzmulia-its/vue-tasty-recipes

Student Performance Management System

Jan 2025 – May 2025

Developed SI-PRESENSI and SI-BPS systems for student performance tracking and management.
Repo: github.com/hafidzmulia-its/SIPresensi

haf. — A Bootstrap-Powered Portfolio

Jul 2024

Developed a sleek, responsive portfolio website using HTML5 and Bootstrap. Successfully increased portfolio traffic by 20%.
Repo: github.com/hafidzmulia-its/haf

Technical Skills

Programming Languages: Java, JavaScript, TypeScript, PHP, HTML, CSS
Frameworks & Libraries: Next.js, Laravel, Tailwind CSS, React Native, PostGIS, Alpine.js, DomPDF
Tools & Databases: MySQL, MongoDB, GitHub & GitHub Copilot, Pandas, Matplotlib, Seaborn, Laravel Breeze, Eloquent ORM, Godot Engine & GDScript, Faker for Seeding
Others: Object-Oriented Programming

Soft Skills

Communication | Teamwork | Problem-Solving | Critical Thinking | Leadership | Team Management

Extracurricular Experience

1st Vice Head, HIMATIKA ITS *Feb 2025 – Present*
Himpunan Mahasiswa Matematika ITS
Led internal staff development and communication among cohorts; organized workshops and performance measurement for 100+ staff of HIMATIKA ITS.

Leader of Mathematics 2022 (Komting STI-57) *May 2023 – Present*
Department of Mathematics, ITS
Successfully facilitated communication and coordination among 150+ Mathematics students, leading to a 20% increase in participation within the Department of Mathematics and the student association (HIMATIKA).
